

## Instructions for Making a Mini Book

### 1. Print the Pages:

- Start by printing out the pages you need.

### 2. Cut Out the Cover Strips:

- Carefully cut out the strips for the cover.

### 3. Cut Out the Page Strips:

- Next, cut out the strips for the pages.

### 4. Prepare the Cover:

- Fold the inside cover and glue it to the outside cover.

### 5. Create the Spine:

- Fold both sides of the spine to shape the book.

### 6. Fold the Pages:

- Take each page strip and fold it in an accordion style.

### 7. Glue the Pages Together:

- Glue the back of the first page to the back of the second page.
- Continue gluing: attach the back of the third page to the back of the fourth, and the fifth to the sixth.
- Repeat this for all page strips. You'll end up with sets of 3 pages (front and back).

### 8. Connect the Page Sets:

- Glue blank pages between each set of 3 pages to connect them.

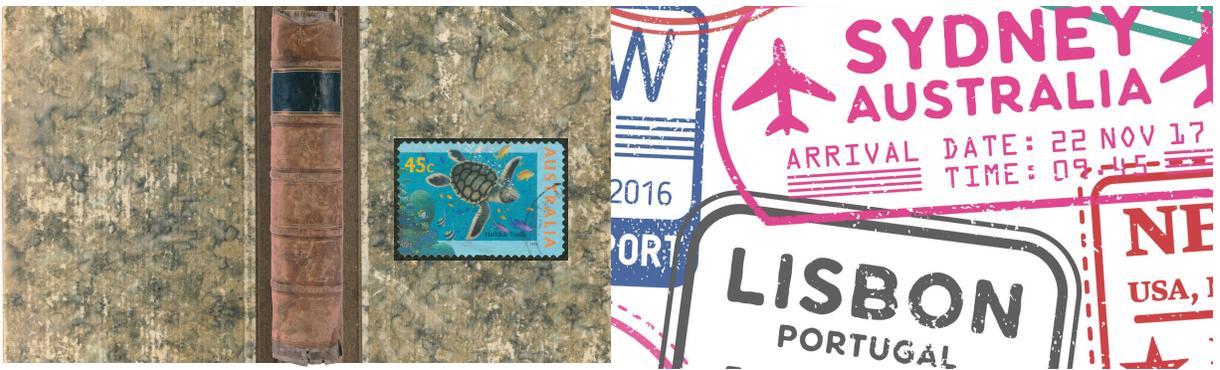

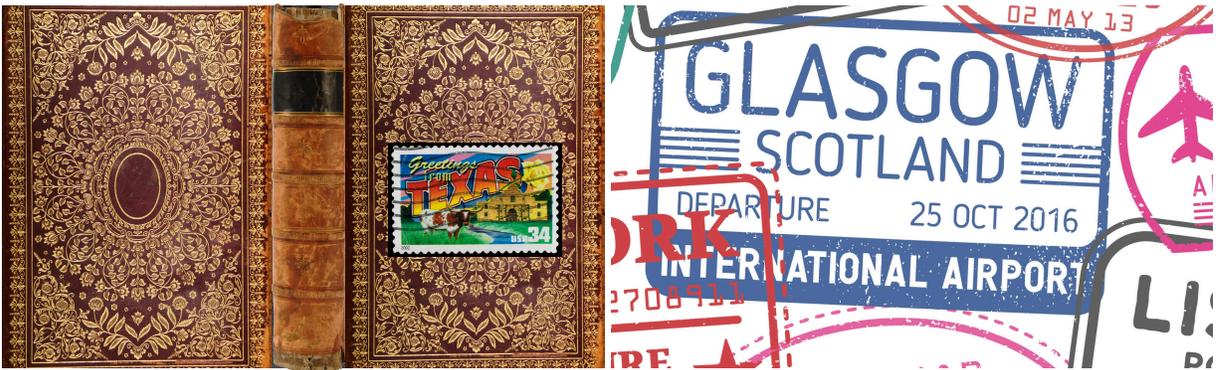

### 9. Attach the Pages to the Cover:

- Add glue to the spine of the pages.
- Glue the first and last pages to the inside cover of the book.

And that's it! Enjoy your new mini book!
