

Recipe instructions:

- Preheat the oven to 350°F (180°C).
- Pour the jar contents into a large mixing bowl and stir to combine.
- Beat in 1/2 cup softened butter, 1 egg, and 1 teaspoon vanilla extract until smooth.
- Drop dough by rounded tablespoonfuls onto an ungreased baking sheet and bake for 12-14 minutes or until the edges are light brown.
- Cool on the baking sheet for 5 minutes, then transfer to a wire rack to cool completely.
